Dear Mr. Kovit,

We are so grateful to you for your help. Your technical knowledge and skill have been very valuable to us, allowing us to accomplish some fairly sophisticated things that we wouldn't have been able to do on our own. You've been thorough and professional, able to do things exactly as we envisioned.

We particularly liked the music video you helped us create, using a song parody that one of our talented members crafted. You also set up a TV hookup for us, feeding a broadcast onto a giant screen so all our guests could see and hear the speeches at a convention watch party. We don't understand how you are able to accomplish these feats, but we are glad that you are around to do them!

We hope that our collaboration can continue, and that you will be willing to help us out at future events. You are an important resource, and we appreciate all that you have done for Tenth Dems.

Sincerely,

Adrienne Kirshbaum
